OM People Care Course, Level 1

26 May – 02 June 2019 – Hungary

27 Oct – 03 Nov 2019 – Zambia

OM's People Care Courses provide people with new skills to fulfil their God given roles in people care and leadership while positively impacting their personal lives. The training is practical and relevant for individuals that serve in all facets of mission. The ministry skills that the participant acquires also helps build a strong foundation in the local church.

This 6-day course is designed to be an introduction to basic member care skills. It prepares the participant to care for and support community members, team members, colleagues, and friends facing the regular ups and downs of life prevalent in any environment and intensified in cross-cultural living and service.

OM Face to Face Course

15-30 Nov 2019 – Hungary

The Face to Face Course is a 15-day personal development course following the Lord's invitation to "come aside with me to a quiet place". It is for Christian workers who have been involved full time or part time in mission work or other Christian ministry for at least 2 years, and who want to develop their relationship with God and grow in self-understanding.

Each day begins with worship and study on the character of God, followed by topical teaching. There is interactive teaching directed at different learning styles, experiential workshops, individual processing time with one or two facilitators, community-groups, and personal reflection time.
